

More than just a Camp!
CAMP J

NEW! Swim Camp

Open to children of all faiths and backgrounds, Camp J is a diverse summer camp, dedicated to your child's happiness, growth and well-being.

About Camp J

At Camp J, we encourage growth, inspire confidence, and create the framework for lasting memories and friendships. We provide quality programs that are age-appropriate, fun, and safe. Our camp is filled with a sense of joy (*simcha*), community (*kehila*), spirit (*ruach*), and fun (*kef*). Throughout all our programs, we encourage discovery and self-expression.

We carefully craft our camp programs to nurture your child’s interests, offering general and specialty programs, with age-appropriate activities focused on both fun and learning. There’s never a dull moment at Camp J!

Your child’s care and well-being are our priorities. It takes a great staff to make a great camp. We carefully screen and interview candidates to ensure that we hire staff who are committed, hardworking, enthusiastic role models for kids. All camp staff participate in our comprehensive multi-day staff training. Many of our camp staff return to us year after year, and our low staff-to-camper ratio (no more than 10 campers for each counselor) ensures a safe and successful summer.

Our Summer 2022 Health and Safety information can be found on page 3.

We hope that your family will join us at Camp J this year!

Summer 2022 Health and Safety

Creating and maintaining a healthy and safe environment for everyone has always been and remains our top priority. As we focus on this coming summer, we continue to learn, study and monitor guidance provided by local and state health agencies, and the Centers for Disease Control (CDC).

As is the case every year, we are striving to improve every aspect of camp operations. COVID-19 requires additional attention in this area and a shift in processes and procedures for this summer.

The response, recommendations and guidelines of our health and safety plans are subject to and will likely change as we continue to learn more. As more data and research is available and related protocols established, this information will be updated.

This guide is primarily intended for parents of current or prospective campers. Staff will be following much of the same standards outlined below and will also receive individualized COVID-19 plans prior to the start of summer.

Some images shown throughout this brochure do not represent current operational guidelines or health and safety measures such as face coverings and social distancing requirements.

Cleanliness & Hygiene

Several changes will be in effect to increase sanitation and maintain safety related to limiting the spread of COVID-19. In addition to increased signage that illustrate best practices to mitigate the spread of the virus and clarify expectations, campers will see:

- Increased number of hand sanitizer stations placed throughout camp with a focus on entries to buildings and high traffic areas.
- Space and time devoted to regular handwashing before and after meals, between activities and prior to use of shared spaces.
- Drinking fountains will be closed and an increased number of water bottle filling stations will be added around camp. Campers will be instructed to carry their water bottles around with them. Drinking stations will be cleaned regularly.

Communication

We commit to keeping our families informed and will always be open and available for questions. Should you have questions, concerns or ideas on COVID-19 and Summer 2022 or wish to discuss anything in this document further, please email us at camp@rosenjcc.org.

During camp, there will be visual reminders of ways to reduce the spread of COVID-19. Upon arrival, COVID-19 protocols and procedures will be reviewed in detail with campers in an age-appropriate way.

Should your camper be considered high risk, it is imperative that you communicate with us so we can properly plan and accommodate their needs.

Facilities Management

The cleanliness and safety of our facilities is something in which we take great pride. Our facilities team works tirelessly to maintain camp and keep everything running smoothly. In addition to our standard cleaning procedures, the facilities team will partner with camp staff to ensure our entire facility is safe for the camp community. See below for a selection of existing protocols for Summer 2022. For a complete list, visit rosenjcc.org/campj.

- Common spaces, including common bathrooms, will be cleaned and sanitized regularly throughout the day.
- All campers and staff will be required to wash hands as they enter the building, before lunch, after playground time, and in-between activities as they enter and exit their classrooms.

CAMP J COMMUNICATION

Brightwheel

We use Brightwheel as the primary communication platform during the summer. This is where we communicate important information you need to know about camp, as well as any daily or weekly updates. In addition, you will be able to view all photos through this platform. Please check your Brightwheel account regularly during the summer for the most up-to-date information on your camper's summer experience.

Parent Email Addresses

Almost all of our communication with families comes through email or via our website. We must have a valid email address for the family of each registered camper. This is the only way to guarantee that you receive important announcements and updates from us. Also, please add info@rosenjcc.com to your address book or safe list to ensure that our emails will not be blocked as spam. If you are not certain that we have a correct email address for your family, please call our Welcome Center at 407.387.5330.

JCC Emails

Both the Rosen JCC and Camp J use special software to send emails to large numbers of people or groups. By having campers at Camp J, your family is part of the JCC community and will receive emails from both Camp J and the Rosen JCC. It is important that you do not "opt-out" of receiving JCC emails. Opting out of these emails will prevent you from receiving important information regarding Camp J programs, updates, and news. If you have opted out, please email the Welcome Center at info@rosenjcc.org.

DROP OFF & PICK-UP

There will be a carpool drop off line with the guidance of our staff to snake through the entrance off of Apopka-Vineland Rd to the oval in front of the building. There will be signage around the parking lot directing parents/guardians where to go. A map will also be distributed to everyone electronically. We are asking that parents/guardians remain in their cars and a Rosen JCC staff member will escort campers into the building.
