## ABOUT CAMP J

Camp J is a cherished tradition where kids have the space they need for a summer packed with exciting activities—all focused on **safety and fun!** Each week features a different theme, ensuring that every day brings new adventures and experiences.

Our camp is filled with joy, community, spirit, and endless fun. We encourage exploration and self-expression through activities designed to spark your child's interests, blending fun with learning.

We offer both **General Camp J and Specialty Camps**, including Basketball, Drama, Dance, Art, and our brand-new Science & Sports Camps, where curious minds can explore and discover. We also plan exciting field trips that allow kids to enjoy fantastic experiences outside the campus!

Your child's care and well-being are our top priorities. We carefully select enthusiastic staff who serve as great role models, and all our staff undergo comprehensive training. Many returns year after year, creating a strong, familiar environment. With a **low staff-to-camper ratio** (no more than 12 campers per counselor), we guarantee a safe and successful summer.

We can't wait for summer to begin—come join us at Camp J for an unforgettable adventure!
